Honors and Awards Committee (3 Year Term for faculty, 1 Year Term for students)
The Honors and Awards Committee is a Standing Committee of the COM reporting to the Deputy Dean for Education and the Dean of the College of Medicine. It has 6 faculty members representing the COM Departments voted on by the Faculty and 4 student members, one from each class. It is responsible for selecting a series of awards presented to medical students. It will also review external requests for nominees for faculty awards. Most of the awards will be nominated directly by a Department or Center. When only one nominee can be submitted by the COM, the Honors & Awards committee will review the nominees (if more than one) and provide a recommendation to the Dean.
