# Student Affairs Responsibilities

- Maintain responsibility for matters relating to student conduct.
- Oversee all graduation-related functions
- Organize the writing of Medical Student Performance Evaluations (MSPE)
- Organize all student scheduling
- Supervise and participate in career advising for MD students

# Engagement with Students

- Oversee extracurricular seminars to enhance student wellness, student progress, career development and student life
- Orient students to the National Residency Matching Program
- Student Affairs also oversees the four student houses across all four years

# Responsibilities to Students Cont'd

- Provide support and advice to Student Government
- Provide support and advice to Specialty Interest Groups
- Ensure that all Student Affairs policies, procedures, and practices relating to medical students are updated, effective and adhered to.
- Work with students, faculty and administration to create and maintain a culture of professionalism

# Thank you
