

How to Link Your CITI Program Accounts

1. [Select this link to log in to CITI via UA WebAuth](#) and link your existing CITI account to ensure your training records are available in the UArizona EDGE Learning system.

OR

Open a web browser and go to <http://citiprogram.org/login> and select “LOG IN THROUGH MY ORGANIZATION”. On the new webpage, scroll down and select “University of Arizona”.

2. If prompted, enter your UA NetID and password and select “LOGIN”. You may be prompted to use NetID+ for secondary authentication. More information on NetID+ can be found by [clicking here](#).
3. Select the radio button for “I already have a CITI Program account.”, then enter the username and password from your other CITI account and select “Log In”. **NOTE:** If you don’t see this option after logging in to CITI via UA WebAuth, then your CITI account is already linked to your NetID and no further action needs to be taken.

The image shows a screenshot of a web form titled 'Associate your SSO account with a CITI Program account'. Under the heading 'Please choose an option:', there are two radio buttons. The first, 'I already have a CITI Program account.', is selected and highlighted with a red circle and a red arrow points to it. The second is 'I don't have a CITI Program account and I need to create one.'. Below this is a section titled 'Link to an existing CITI Program account'. It contains instructions: 'To link your existing CITI Program account to your SSO account, please log in to your CITI Program account.' and a note '* indicates a required field.'. There are two required fields: 'CITI Program Username *' with a placeholder 'Username from other CITI account' and 'CITI Program Password *' with a placeholder 'Password from other CITI account'. A 'Log In' button is at the bottom, highlighted with a red box and a red arrow points to it. A link 'Did you forget your CITI Program account username or password?' is at the very bottom.
