

Graduate Medical Education

2023 FALL RESIDENT AND FELLOW RESEARCH SCHOLARSHIP RECIPIENTS

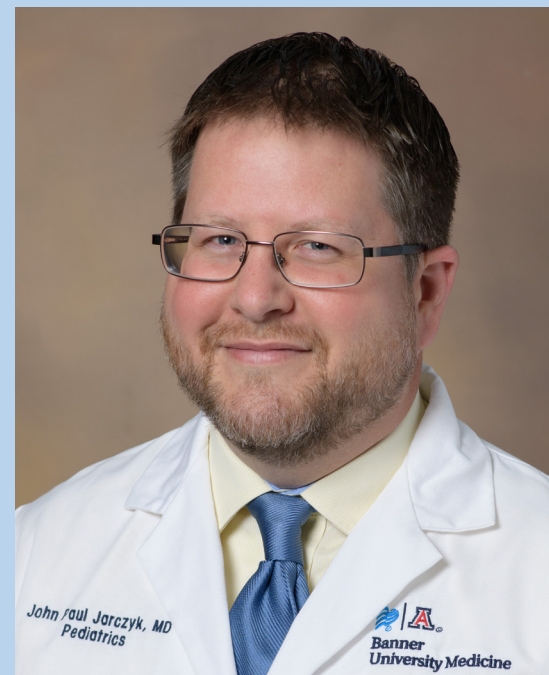

Ava Delu, MD – PGY3
Urology

PROJECT DESCRIPTION:
Advancing Understanding of Urinary Sphincter Function and Mechanisms of Continence.

NOMINATED BY:
Christian Twiss, MD
Program Director

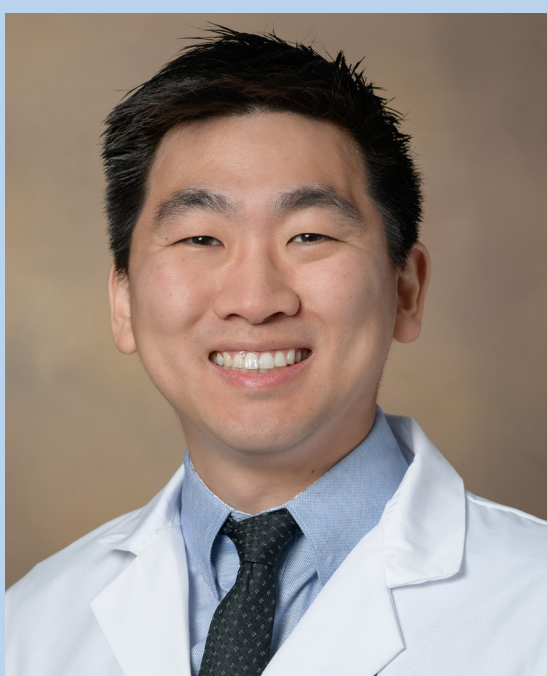

John Paul Jarczyk, MD – PGY5
Peds-Pulmonary

PROJECT DESCRIPTION:
Investigation into Barriers to Implementation of SMART (Single Maintenance and Reliever Therapy) for Pediatric Patients with Moderate to Severe Persistent Asthma.

NOMINATED BY:
Wayne Morgan, MD, PhD
Program Director

Nathaniel J. Kim, MD – PGY4
Cardiology

PROJECT DESCRIPTION:
Exploring Medical Trainees' Perception of Artificial Intelligence-Mediated Cardiology Medical Decision-Making Process: A Mixed Methods Approach.

NOMINATED BY:
Olivia Hung, MD, PhD
Program Director

Amie Marie Kolimas, DO – PGY3
Internal Medicine

PROJECT DESCRIPTION:
Understanding and Overcoming Provider Barriers to Guideline Directed Medical Therapy Administration During Heart Failure Hospitalizations.

NOMINATED BY:
Laura Meinke, MD
Program Director

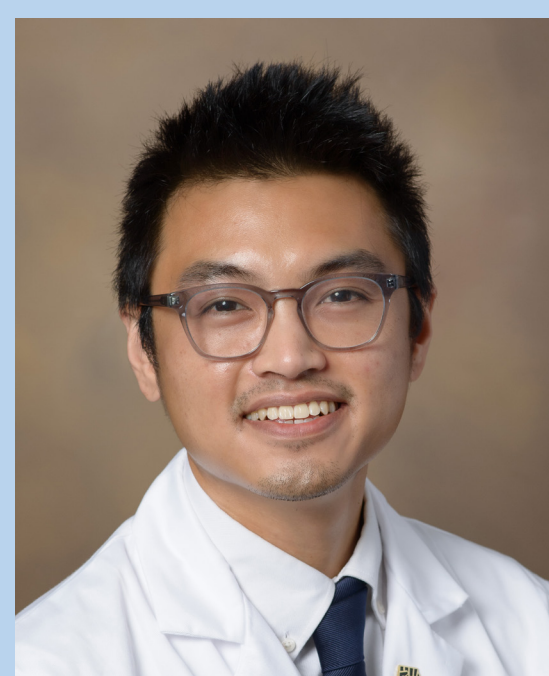

Austin Lever, DO – PGY3
Otolaryngology

PROJECT DESCRIPTION:
Virtual Surgical Planning in Nasal Reconstruction.

NOMINATED BY:
Shethal Bearely, MD
Program Director

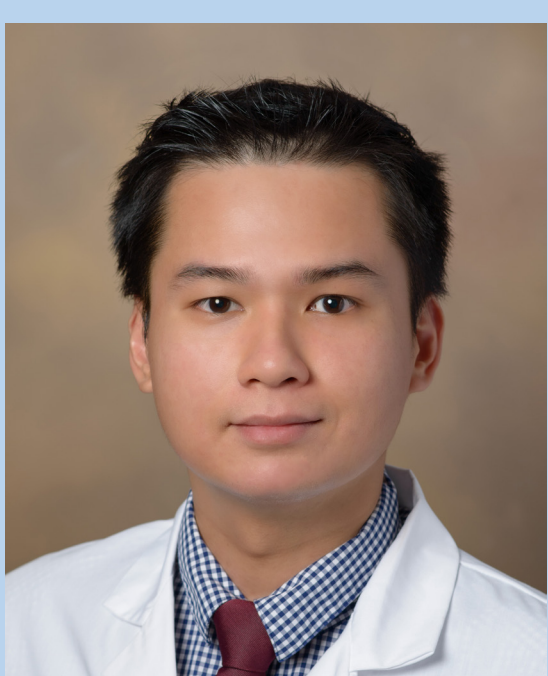

Matthew Mendoza, MD – PGY2
Internal Medicine

PROJECT DESCRIPTION:
Distinguishing pre-capillary from post-capillary pulmonary hypertension: Identifying subpopulations with provocative testing.

NOMINATED BY:
Laura Meinke, MD,
Program Director

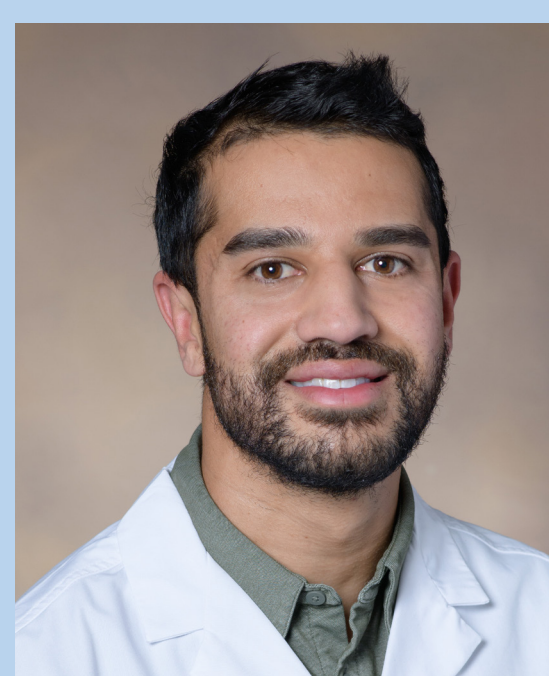

Hoang Nhat Pham, MD – PGY1
Internal Medicine

PROJECT DESCRIPTION:
The effect of Statins on reduction of Atrial fibrillation recurrence in patients above 65 years old after catheter ablation.

NOMINATED BY:
Laura Meinke, MD
Program Director

Sanjog Singh, MD – PGY4
Integrated Interventional Radiology

PROJECT DESCRIPTION:
Quality of Life and Survival After Catheter Directed Therapy (CDT) for Intermediate Risk Pulmonary Embolism.

NOMINATED BY:
Gregory Woodhead, MD, PhD
Program Director

Ipsita Hamid Trisha, MD – PGY2
Neurology

PROJECT DESCRIPTION:
Prevalence of Stroke and its Impact on Quality of Life in a Refugee Camp: A Mixed Method Study.

NOMINATED BY:
G. Alex Hishaw, MD
Program Director
