

Dear Faculty:

Please mark your choices on this ballot for the election of COM-T committee members.

Voting will be open until __ at midnight.

Proposed Bylaws changes:

Faculty Council on Community Engagement (FCCE) – *The FCCE is a standing committee that:*

Identifies strategies and initiatives to promote faculty engagement with the community and enhance faculty success. 2) Integrates community engagement principles into faculty development, leadership, and outreach efforts. 3) As a bridge between faculty and administration, ensuring ongoing communication and collaboration. 4) Supports initiatives that strengthen faculty connections to the community, foster career growth, and promote partnerships with external organizations. The FCCE collaborates closely with councils focused on students, staff, and the broader community.
