**Pass code: 535786**

### Learning Objectives:

1. Diagnose and manage complex orthopedic infections more accurately and efficiently through integrated clinical, radiologic, and microbiologic assessment of musculoskeletal infections.
2. Implement evidence-based antimicrobial strategies to improve infection control while supporting antimicrobial stewardship.
3. Collaborate effectively across medical disciplines to develop unified, patient-centered care plans.
4. Improve patient outcomes, including decreased complications, readmissions, and prolonged hospital stays related to orthopedic infections.

**Accreditation Statement:** The University of Arizona College of Medicine – Tucson is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The college designates this live activity for a maximum of *1 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure Statement:** All Faculty, CME Planning Committee Members, and the CME Office Reviewers have disclosed that they have no financial relationships with ineligible companies that would constitute a conflict of interest concerning this CME activity.
