

Accelerated Pathway to Medical Education (APME) 22-23 Application Guide:

If you do not see the APME application, please be sure you have been admitted to the University of Arizona and meet the qualifications. If you are not admitted and do not meet any of the qualifications, then you will not see the application.

1. Students will find the APME application from the admission application status page (In their Future Wildcat Portal) in their supplemental applications tab.

The screenshot shows a web browser window with the URL slate.admissions.arizona.edu/apply/status?tab=supp. The navigation menu includes 'WELCOME', 'SUPPLEMENTAL APPLICATIONS' (highlighted in yellow), 'UPLOAD MATERIALS', and 'CONTACT US'. The main content area is titled 'University of Arizona Supplemental Applications' and contains the following text:

Some University majors and programs require additional information or materials prior to enrolling. On this page you can see what programs require a Supplemental Application to complete the admission process.

College of Fine Arts Selective Majors

If you wish to apply to a College of Fine Arts selective major instead of the major you selected through your degree-seeking application, you must start and submit a supplemental application.

Please note that a complete supplemental application may include an audition, portfolio review, letter(s) of recommendation, and/or a written essay. For more information about the application requirements and deadlines, you can visit [the College of Fine Arts admissions page](#).

- To apply to the School of Art, Dance, or Theatre Film & Television supplemental application, visit the [Start CFA Application form](#).
- To apply to the Fred Fox School of Music, visit [Acceptd](#).

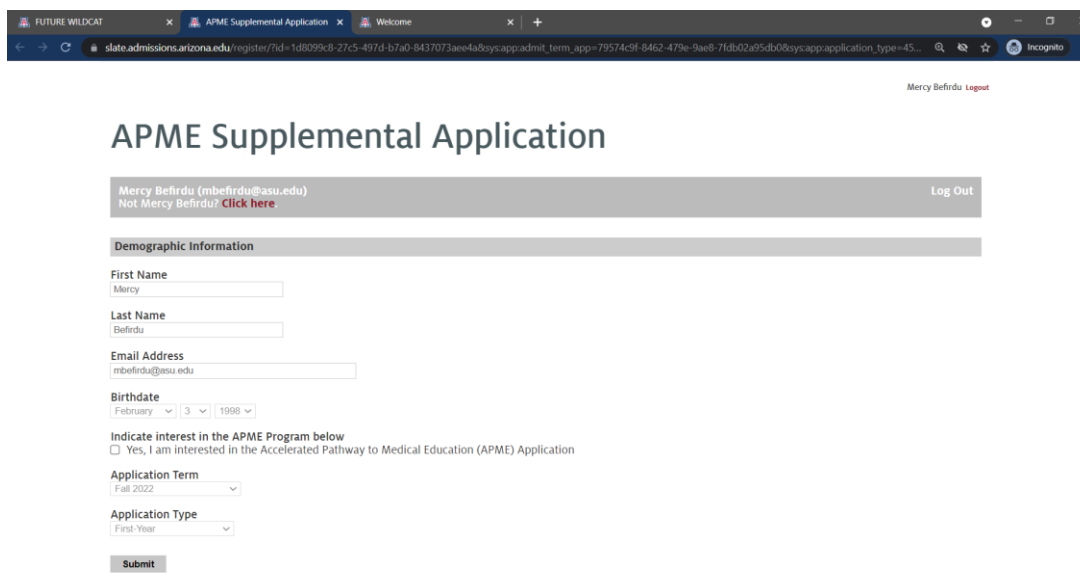

University of Arizona Honors College

You are automatically considered for admission into The Honors College due to your National Scholar Status. You are not required to complete our supplemental application at this time. If you have any questions you can contact us at honors@email.arizona.edu or (520) 621-6901. Thank you.

University of Arizona College of Medicine

Click [here](#) to apply to the Accelerated Pathway to Medical Education (APME) Application.

2. Once you click on “click here” link, you will be navigated to the following page to confirm some details before starting the application.

The screenshot shows the 'APME Supplemental Application' form. At the top, it displays the user's name 'Mercy Befirdu' and a 'Log Out' link. Below this is a 'Demographic Information' section with the following fields:

- First Name: Mercy
- Last Name: Befirdu
- Email Address: mbefirdu@asu.edu
- Birthdate: February 3, 1998

Below the demographic information, there is a section for indicating interest in the APME Program:

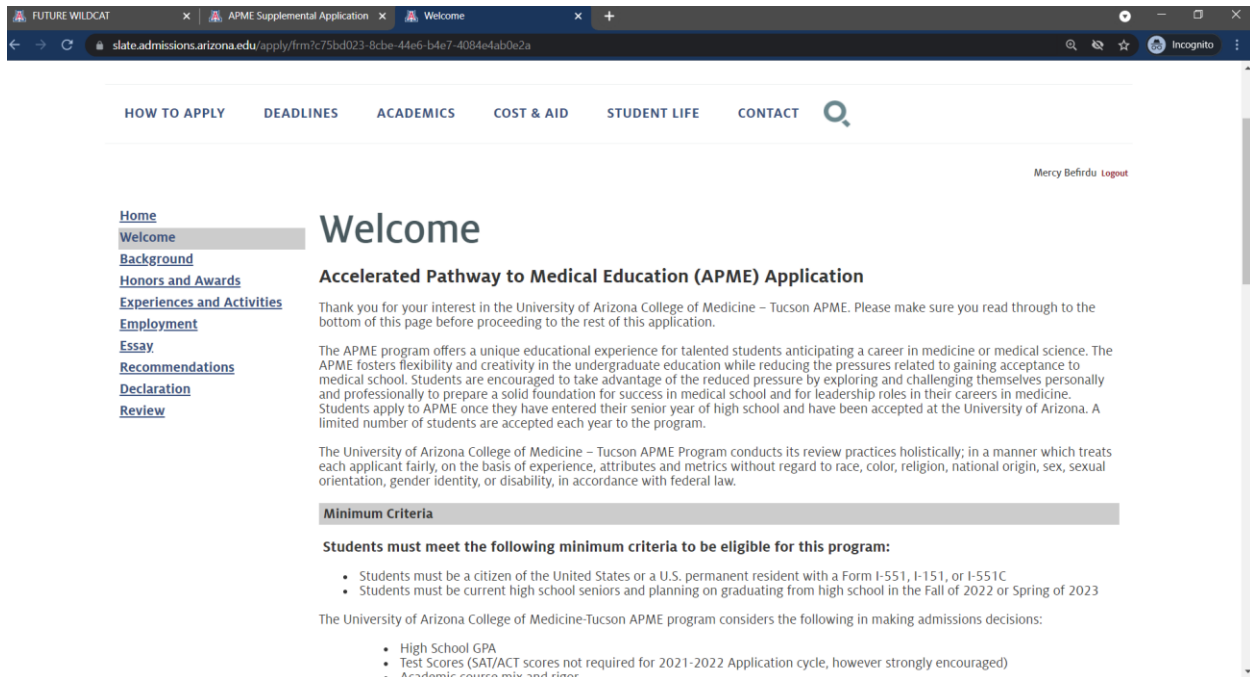

Indicate interest in the APME Program below
 Yes, I am interested in the Accelerated Pathway to Medical Education (APME) Application

Below this, there are two dropdown menus:

- Application Term: Fall 2022
- Application Type: First-Year

At the bottom of the form is a 'Submit' button.

- Once you click on submit, you will be routed to the application home page where you can click on your new APME application. You will then be routed to the application where you can answer all the questions.

The screenshot shows a web browser window with the URL slate.admissions.arizona.edu/apply/firm?c75bd023-8cbe-44e6-b4e7-4084e4ab0e2a. The page title is "Welcome" and the main heading is "Accelerated Pathway to Medical Education (APME) Application". The page content includes a navigation menu with links for "Home", "Welcome", "Background", "Honors and Awards", "Experiences and Activities", "Employment", "Essay", "Recommendations", "Declaration", and "Review". The "Welcome" link is highlighted. The main text welcomes applicants to the University of Arizona College of Medicine – Tucson APME program and provides information about the program's focus on flexibility and creativity. It also lists the minimum criteria for eligibility, which include being a citizen of the United States or a U.S. permanent resident, and being a current high school senior planning to graduate in the Fall of 2022 or Spring of 2023. The page also mentions that the program considers high school GPA and test scores (SAT/ACT) in making admissions decisions.

- Once application is complete, students will be notified in March if they are invited to interview. If invited to interview, be ready to order an official transcript to submit for review. Applications will not be reviewed until March, submitting an early application does not have any impact on admissions decisions.

If you have further questions, comments, or concerns, please email Camille Celaya (camilleacelaya@email.arizona.edu) in the College of Medicine- Tucson Admissions Office.
