

**GRADUATE MEDICAL EDUCATION
RESIDENT/FELLOW EMPLOYMENT AGREEMENT
(2018)**

THIS RESIDENT/FELLOW EMPLOYMENT AGREEMENT (this "Agreement") is made and entered into as of the signature dates set forth below, to be effective as of **July 1, 2018** (the "Effective Date"), between BANNER—UNIVERSITY MEDICAL GROUP, an Arizona non-profit corporation ("B—UMG"), and _____ a physician in training as a resident or fellow ("Resident/Fellow").

RECITALS:

WHEREAS, the parties desire to enter into an agreement whereby B—UMG employs Resident/Fellow as a resident or fellow in the University of Arizona College of Medicine - **Program** Graduate Medical Education Program ("GME Program") sponsored by the University of Arizona College of Medicine – Tucson Campus ("UACOM");

WHEREAS, UACOM is the Accreditation Council for Graduate Medical Education ("ACGME") designated sponsoring institution of the GME Program in which Resident/Fellow is participating and is responsible for sponsoring, operating, and administering the GME Program in accordance with the requirements and standards of the ACGME, the National Residency Match Program ("NRMP") and other applicable accrediting agencies; and

WHEREAS, this Agreement sets forth the terms, conditions, obligations, and expectations of the parties in connection with the educational experience provided to Resident/Fellow through the GME Program as an employee of B--UMG.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement, B—UMG and Resident/Fellow agree and understand as follows:

1. APPOINTMENT. Subject to the terms and conditions set forth in this Agreement, Resident/Fellow hereby accepts employment by B—UMG as a **PGY** resident or fellow on a full-time basis as part of the GME Program.

2. FINANCIAL AND OTHER ARRANGEMENTS.

2.1 For the term of this Agreement, Resident/Fellow will receive a base salary of \$, annually. All compensation is payable in equal installments every two weeks and is subject to deductions for federal and state income withholdings, and any other deductions required by law or authorized in writing by Resident/Fellow.

2.2 If approval is given for the provision of additional services within the Program and/or for the provision of moonlighting services outside of the Program on behalf of B—UMG or any B—UMG affiliate, Resident/Fellow will receive bonus compensation from B—UMG for such moonlighting services.

- 2.3 In the event of a reduction, limitation, or termination of the GME Program, B—UMG and UACOM will assist Resident/Fellow in securing a position in another ACGME approved program to complete training.
- 2.4 Upon satisfactory completion of the GME Program by Resident/Fellow, Resident/Fellow will receive a certificate of completion of training.

3. RESIDENT/FELLOW QUALIFICATIONS.

- 3.1 As a condition of entering this Agreement, and as a prerequisite to begin training and to receive financial support and benefits pursuant to this Agreement, Resident/Fellow agrees as follows:
 - a. Resident/Fellow must meet and fulfill the regulatory and licensure requirements set out in the Resident/Fellow GME Manual (the "Manual"), a copy of which is located here: <http://medicine.arizona.edu/education/graduate/graduate-medical-education/university/policies-forms>
 - b. Resident/Fellow must complete the process necessary to obtain clearance for duty from Banner Health Occupational Health, including, but not limited to, passing a drug screening, satisfying B—UMG vaccination/immunization requirements (unless Resident/Fellow has been granted a medical or religious exemption), and participating in all post-offer medical examinations required for all residents and fellows in the GME Program.
 - c. Resident/Fellow must satisfactorily complete B—UMG pre-employment screening tests in accordance with the provisions of the Manual regarding drug and substance use.
 - d. Resident/Fellow must satisfactorily complete B—UMG pre-employment background screening, including fingerprint clearance card, reference checks, criminal history check, and other B—UMG background checks, as set out in the Manual.
 - e. Resident/Fellow must be appointed to the GME Program and must maintain such appointment in good standing.
 - f. Resident/Fellow must satisfactorily meet the qualifications and requirements of the ACGME, the NRMP and other applicable accrediting agencies, as may be amended from time to time.
- 3.2 In the event that Resident/Fellow has not met eligibility requirements prior to the Effective Date, this Agreement will become null and void and Resident/Fellow will coordinate with B—UMG and UACOM regarding further participation in the GME Program.
- 3.3 Resident/Fellow hereby permits B—UMG to release and provide to UACOM, including third-party training sites that are a part of the GME Program, and to accrediting and certifying boards and organizations any requested and required information related to participating in the GME Program, including, but not limited to, social security number, fingerprint clearance card and immunization records. Resident/Fellow will provide the director of the GME Program (the "Program Director") with written notification of any change in status relating to these qualifications and pre-requisites.

4. OBLIGATIONS AND RESPONSIBILITIES OF RESIDENT/FELLOW.

- 4.1 Resident/Fellow agrees to abide by the Manual, as may be amended from time to time. The Manual includes, but is not limited to, information, policies, and procedures regarding the following:
- a. Terms, conditions, and procedures for evaluation, reappointment, and promotion to a subsequent program year ("PGY") level;
 - b. Grievance and due process policies, standards, and procedures;
 - c. Professional liability insurance coverage provided through B—UMG;
 - d. Hospital and health insurance benefits for Resident/Fellow and eligible dependents;
 - e. Vacation, parental, sick, and other leave benefits;
 - f. Other insurance benefits;
 - g. The effect of leaves on ability to satisfy requirements for GME Program completion;
 - h. Information related to eligibility for specialty board examinations;
 - i. Policies and procedures regarding duty hours and moonlighting;
 - j. Services available to Resident/Fellow;
 - k. Policies and procedures relating to non-discrimination, anti-harassment, and disability accommodations; and
 - l. Other benefits and services available to Resident/Fellow.
- 4.2 Resident/Fellow will devote the time and effort necessary to satisfactorily fulfill the educational requirements, and to perform required services, duties, functions, and responsibilities, of the GME Program as established by UACOM.
- 4.3 Resident/Fellow will comply with all state, federal, and local laws, rules, regulations, and standards as well as applicable B—UMG and UACOM standards, requirements, policies and procedures. Resident/Fellow will notify the Program Director immediately (a) of any alleged or actual act or omission that may be a violation of any law, rule, regulation, standard, requirement, or any Manual provision, or (b) if Resident/Fellow is a party to any disciplinary proceedings or malpractice claims, regardless of whether they are related to services provided at the assigned GME Program location.
- 4.4 Resident/Fellow will notify the Program Director immediately if Resident/Fellow becomes aware of any circumstance that may cause B—UMG, UACOM, or any participating hospital or healthcare facility site to be noncompliant with any federal, state, or local laws, rules, or regulations or the standards of any accrediting or licensing body to which it is subject.

5. TERM AND TERMINATION

- 5.1 Subject to either party's right of termination as set forth below, the term of this Agreement will commence on the Effective Date and continue until **June 30, 2019** (the "Termination Date"). This Agreement will expire on the Termination Date unless renewed or extended in writing by B—UMG, after consultation with designated representatives of UACOM, under then current practices, and the Resident/Fellow has no expectations otherwise. This term of this Agreement also may be extended by B—UMG for a period of up to three months in the event that Resident/Fellow is transitioning to full-time employment with B—UMG or a B—UMG affiliate, in which event Resident/Fellow will receive written notice from B—UMG of the terms of such extension.
- 5.2 Resident/Fellow's right to perform services under this Agreement may be suspended immediately as outlined in the Manual. Subject to the grievance and due process provisions of the Manual, this Agreement will terminate upon the termination of Resident/Fellow's

appointment to the GME Program, upon the occurrence of any of the events specified in the Manual, or upon any material breach of this Agreement by Resident/Fellow.

6. NOTICES. Any notice required to be given pursuant to the terms and provisions of this Agreement must be in writing and may be either personally delivered or sent by registered or certified mail in the United States Postal Service, return receipt requested, postage prepaid, addressed to the receiving party at the applicable address set forth below, or to such other addresses as the parties may hereafter designate in writing, or through electronic mail:

To Resident/Fellow: At the residential address recorded in personnel system utilized by B-UMG

To B—UMG: Banner—University Medical Group
1501 North Campbell Avenue
Tucson, AZ 85724
Attn: Chief Executive Officer

Any such notice will have been given when personally delivered or, if sent by registered or certified mail or by electronic mail, three days after the same is sent as provided herein.

7. INTEGRATION AND AMENDMENT. This Agreement, including the Manual and any other attachments and documents specifically incorporated herein by reference, contains the entire agreement between the parties. All prior negotiations between the parties are merged in this Agreement, and there are no understandings or agreements other than those incorporated into this Agreement, including the Manual and any other attachments and documents specifically incorporated herein by reference. This Agreement may not be modified except by written instrument signed by both parties.
8. WAIVER AND BREACH. No waiver of the enforcement or breach of any portion of this Agreement is a waiver of any other breach or of the enforcement of any other portion of the Agreement. No extension of time for performance is an extension of the time for any other performance.
9. ASSIGNMENT. Resident/Fellow may not assign or subcontract Resident/Fellow's rights or obligations or delegate any duties under this Agreement. Any attempt to do so without the express prior written consent of B—UMG is null and void and gives B—UMG the right to cancel and terminate this Agreement. B—UMG may assign or otherwise transfer its interest under this Agreement to any related entity, including, without limitation, any subsidiary or affiliated organization of B—UMG. Assignment by B—UMG to a related entity does not require the consent of Resident/Fellow.
10. SURVIVAL. Any covenant or provision herein that requires or might require performance after the termination or expiration of this Agreement will survive any termination or expiration of this Agreement.
11. FURTHER ASSURANCES. Both parties will execute and deliver all documents, papers and instruments necessary or convenient to carry out the terms of this Agreement.
12. COUNTERPARTS. This Agreement may be executed in one or more copies or counterparts, each of which when signed is an original, and all of which together constitute one instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement, individually or by signature of their duly authorized representative, as of the signature dates set forth below, to be effective as of the Effective Date.

B—UMG:

RESIDENT/FELLOW:

BANNER—UNIVERSITY MEDICAL GROUP

By: _____

Scott C. Goodwin, M.D.

, MD

Chief Executive Officer

Date: March 12, 2018

Date: _____

Banner Health Position Description

POSITION TITLE	PGY	DATE APPROVED	6/27/2010
POSITION ID			
FACILITY	Banner--Univ Med Group Tucson		
JOB FAMILY	Providers-Resident	STATUS	Active

POSITION SUMMARY

The medical resident is a graduate of a medical school with an MD, DO or DPM degree who is enrolled in a multi-year postgraduate training program with the expectation of becoming board eligible in a specific medical specialty, upon the completion of the program. During the training program the resident participates in the care of patients in both the outpatient and inpatient setting under the direct supervision of qualified members of the faculty physician staff and other members of the medical staff who function as teachers in the various disciplines for which they have privileges at various system or affiliated facilities. May include "fellow", residents who have completed their training as a resident and who enter into a program or additional training, referred to as a fellowship. Year in multi-year program is designated in Medical Resident PGY title such as PGY1, 2, 3, etc.

ESSENTIAL FUNCTIONS

1. Patient care activities that include, but are not limited to, obtaining patient histories, performing physical examination procedures, documenting findings on the medical record, developing a therapeutic plan and monitoring the response of the patient, etc.
2. Performing duties required of the call schedule that include, but are not limited to, answering patient telephone inquiries, responding to questions from the hospital support staff, functioning as a team member of the code arrest team, etc.
3. Assisting in the education of the other members of the health care team by participating in conferences, assisting in the supervision and education of more junior members of the house staff, participating in the committees of the residency program that deal with clinic operations, quality improvement, and curriculum development and other functions related to professional development and quality care.
4. Abiding by the rules of the medical staff by, among other requirements, completing records in a timely fashion, being available for patient care in a timely manner and as scheduled in the formal duty requirements.
5. Participating in the regularly scheduled formal evaluations of performance that are a required part of the postgraduate training program.
6. Meeting the requirements of the curriculum in order to advance to the next level of residency training on a yearly basis.
7. Participating in annual in-training examinations as required by governing specialty board.
8. Maintaining skills and competencies to render responsible care as measured by periodic audits, evaluations, and testing mechanisms.

Performs all functions according to established policies, procedures, regulatory and accreditation requirements, as well as applicable professional standards. Provides all customers of Banner Health with an excellent service experience by consistently demonstrating our core and leader behaviors each and every day.

NOTE: The essential functions are intended to describe the general content of and requirements of this position and are not intended to be an exhaustive statement of duties. Specific tasks or responsibilities will be documented as outlined by the incumbent's immediate manager.

SUPERVISORY RESPONSIBILITIES

DIRECTLY REPORTING

None

MATRIX OR INDIRECT REPORTING

None

TYPE OF SUPERVISORY RESPONSIBILITIES

N/A

Banner Health Leadership will strive to uphold the mission, vision, and values of the organization. They will serve as role models for staff and act in a people-centered, service excellence-focused, and results-oriented manner.

SCOPE AND COMPLEXITY

This position requires a great deal of autonomy and functions within the hospital and clinic setting. Internal customers include but are not limited to employees, patients, and management at the local, regional, and corporate levels. External customers include but are not limited to, practicing physicians, vendors, and the community.

PHYSICAL DEMANDS/ENVIRONMENT FACTORS

DP - Typical Direct Patient Care environment: (Nutrition Rep, Chaplain, RN)

- Able to stand, walk, bend, squat, reach, and stretch frequently.
- Possess physical agility and adequate reaction time to respond quickly and appropriately to unexpected patient care needs.
- Needs adequate hearing and visual acuity, including adequate color vision.
- Requires fine motor skills, adequate eye-hand coordination, and ability to grasp and handle objects.
- Able to use proper body mechanics to assist patients in ambulating, transferring in and out of bed, chair or wheelchair.
