TOPIC:
“Insulin Pump”

Outcome Objectives:
1.) Interpret insulin pump reports in order to recognize needed therapy and/or behavioral changes
2.) Differentiate insulin pump settings related to manual and auto basal modes
3.) Identify characteristics that make patients good candidates for insulin pump therapy

Accreditation Statement:
The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):
All Faculty, CME Planning Committee Members, and the CME Office Reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
