Activity Highlights:

- UAHS-CDA Peer Review (January 2020): A sub-group of DRC members served as the review panel for the UAHS Career Development Award (CDA). Four of the recommended candidates were awarded the CDA.
- Election of new chair/vice chair (July 2020): Dr. Parthasarathy nominated Dr. Altbach as the new DRC chair and proposed to continue his leadership role as the Vice-chair. The council approved the change in leadership.
- Mentoring Activities (September 2020-current):
  - A mentoring subcommittee formed by Drs. Gothard, Witte, and Parthasarathy started to lead activities to support junior faculty in the COM. The subcommittee meets once a month.
  - Vice Provost for Faculty Affairs, Dr. Andrea Romero, presented at the DRC on their Faculty Development Communities for Promotion (FDCP) program. Her presentation was followed by a discussion on mentoring at the COM.
  - Dr. Hammer presented plans for a training program for mentors.
K-club (November 2020): The Progress Report session from the 2018 and 2019 UAHS CDA recipients has been scheduled for November 18, 2020. The session will consist of short presentations followed by Q/A from a panel of DRC members and other senior faculty members in the COM. The goal of the K-Club meeting is to advice and provide support to awardees for the successful completion of their award and the submission of NIH K- or R- awards.
