

Endocrinology, Diabetes & Metabolism Didactic Series

CME provided by The University of Arizona College of Medicine - Tucson

Craig Stump, MD, PhD
Associate Professor of Medicine and Nutritional Sciences

TOPIC: “Cross-Sex Hormones”

LOCATION: Abrams-SC Room 2102
Tuesday, 11/27/18, 1:30-3:30

Followed by Jayasree Jonnadula, MD, “Female Reproductive Board Review”

Outcome Objectives:

- 1.) Describe the role of gonadal steroids in primary and secondary sexual characteristics, and in sexual dimorphism or difference.
- 2.) Recognize the paucity of evidence used to develop Endocrine Society and WPATH guidelines for cross-sex hormone use.
- 3.) Appreciate the risks of using exogenous gonadal steroids for non-endocrine disorders.

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of **2.0 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):

All Faculty, CME Planning Committee Members, and the CME Office Reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
