## Purpose and Summary

The quiz review recording is available to students with an approved excused absence. See [Attendance and Absence policy](#). The quiz review recording is not available to students who use a Personal Pass. All students may take the quiz to receive credit.

## Definitions

Applies to the Weekly Quiz Review sessions.

## Policy

Applies to approved excused absences for the class of 2025 and class of 2026 in the Pre-clerkship Phase. Effective immediately. Expires May 31, 2023

Block directors and coordinators who are notified of approved excused absences for the Weekly Quiz Review sessions:

- May elect to allow students to watch recordings of these sessions for the educational benefit of students who miss these opportunities.
- Students must make an appointment with a Learning Specialist to review the recording.
- Students who miss the weekly quiz as part of their excused absence will not be able to retake these for a grade or self-directed learning exercise.
- The current practice for high-stake exams stays intact: students still have opportunity to review high-stake exams with learning specialists.
- Students are prohibited from recording in any capacity the material they view with their learning specialist.
