On your homepage, you will see several important things you will need to access and understand.

At the top of the page in a blue header is your Academic Institution’s Compliance Checklist information. Clicking on the words “Campus Compliance Checklist” will navigate you directly to your Campus Checklist.

You will also see four tabs of information under your Campus Compliance Checklist.

1. Alerts
   i. The My Alerts! center lists all the items that are pending completion. If an item is connected to a specific rotation, the Rotation Number is listed first followed by the item pending completion.

2. Active Rotation(s)
   i. Any rotations that you have been scheduled for are listed here. If you click the Rotation Number, you will be directed to a more detailed page regarding that specific rotation.
   ii. If you do not have any Rotations, that means you have not yet been scheduled for a rotation in the mCE system. Please contact your Clinical Coordinator at your school to resolve this issue.

3. My Request(s)
   i. Please disregard this tab unless you are an independent or Advanced Practicum student. If you are an independent/advanced practice student AND your Hospital has asked you to submit your own placement request, please contact support@myclinicalexchange.com for more details.

4. Notifications
   i. Any messages sent to you from your Academic Institution, Hospital Coordinator, and any auto notifications from mCE will be listed here.

Troubleshooting Tips

- What email should I use?
  o If your Academic Institution issues email addresses, please use the one they gave you. If your Academic Institution did not provide you an email address, a Google, Yahoo, Hotmail, etc. email address is acceptable.

Revised April 4, 2018
• Why haven’t I received my validation code?
  o It can take up to 15 minutes for the validation code to be sent to your email. If you’ve waited 15 minutes, please check your junk folder, Spam folder, or Clutter Box. The e-mail will be from do-not-reply@myclinicalexchange.com. Please mark e-mails from the domain “myclinicalexchange.com” as a “Safe Sender” so that future correspondence comes immediately to your inbox. If you still have not received the email, verify the email you entered is correct.

• Do I have to use PayPal to pay?
  o Yes, the only way myClinicalExchange accepts payment is through this vendor.

• Why isn’t Internet Explorer loading this website?
  o Are you are using Internet Explorer, v8 or lower? If so, you will either need to update Internet Explorer to v9 or higher. Alternatively, try again in Chrome, Safari or Firefox.

• Why do I have to create Security Questions?
  o When you create your security questions you make recovering your password much easier in the event you forget your password.

• What do I do if I forget my login I.D.?
  o Please reach out to your University Coordinator for this information.

• I forgot my password. How do I login?
  o To retrieve your password, please navigate to the mCE website.
