Section One: Definitions

Under these procedures, the following terms will have the meanings set forth below:

- 1) “Advisor” means a faculty member, staff member, or other individual selected by a student to support the student during a meeting or a hearing conducted by the Student Progress Committee (SPC). Unless the Advisor is an Attorney, the Advisor may not speak for or on behalf of the student unless the SPC Chair asks the Advisor to address the Committee. Attorneys are only permitted to serve as Advisors at SPC hearings, not meetings.
- 2) “Academic Dismissal” means dismissal from the College of Medicine – Tucson for failure to progress through the curriculum, failure to meet academic or programmatic requirements, failure to satisfy the professionalism component of an academic course, or failure to adhere to the Grading and Progression Policy.
- 3) “Attorney” means an individual licensed to practice law in the State of Arizona.
- 4) “College” or “COM – T” means the University of Arizona College of Medicine – Tucson.
- 5) “Conduct Dismissal” means dismissal from the College of Medicine – Tucson for Honor

Code violations, lack of academic integrity, unprofessional behavior in extracurricular activities or interactions, violation of clinical site policies (including HIPAA), or other violations of the Arizona Board of Regents Student Code of Conduct (ABOR Policy 5-308). If a student is suspended or expelled by the University of Arizona Dean of Students Office the Conduct Dismissal from the College is automatic and the student is not entitled to a hearing before the SPC or Honor Code Committee.

- 6) “Dismissal” or “Dismiss” means terminating the student’s enrollment at the College. Once dismissed, a student must reapply for admission through the standard admission procedures. Dismissal occurs at the written direction of the Vice Dean of Education or a designee.
- 7) “E-Vote” means a vote of the eligible members of the Committee conducted via email. The Chair may instruct an E-vote on issues that require Committee approval but do not warrant discussion. A Quorum of responses is required.
- 8) “Graduation Requirements” means those requirements established by the College’s Tucson Educational Policy Committee (TEPC), as described in the Grading and Progression Policy.
- 9) “Notice” or “Notify” means a written communication emailed to the recipient using the recipient’s official University email address. Recipients may identify an alternate email address to the SPC Chair. All time limits are calculated using business days. A Notice is deemed received the day after the email date stamp. All notices will include a link to the SPC Procedures on the College’s website.
- 10) “Preponderance of the evidence” means the Committee members find the position of one party more likely and/or more credible than the position of the other party; it is the standard by which SPC makes decisions following a hearing.
- 11) “Quorum” means one-half of the eligible voting members of the Committee. A voting member is not eligible if the member recuses him or herself from the vote due to a conflict or leave of absence. To conduct business under these procedures, a quorum must be present at the beginning of a presented issue and must remain present throughout the vote on that issue.

Section Two: Functions of the Student Progress Committee

- 1) The SPC will review and monitor the academic progress of any student presented to the Committee by a student affairs dean.
- 2) The SPC may review the performance or professional conduct of any student who is brought to the Committee’s attention by any College faculty member or administrator. In response, the SPC may require or recommend the actions listed in Section 2-4.
- 3) A student may request to meet with the SPC to discuss their own academic progress or

professional conduct by communicating directly with the Chair of the SPC in writing.

- 4) If a student fails to progress in accordance with the requirements established by the Grading and Progression Policy, the SPC will consider the circumstances and may take any of the following actions (this list is not exhaustive):
 - a) Require the student to adhere to a specific academic timeline;
 - b) Require the student to satisfy specific benchmarks within a timeframe;
 - c) Require the student to submit written reports to or meet with SPC at a future date;
 - d) Require the student to work with Student Development, Student Affairs, the Professionalism Support Team, or other College resources;
 - e) Recommend to the Associate Dean of Curricular Affairs that the student be placed on Academic Probation or removed from one or more extracurricular activities;
 - f) Grant the student an extension of time or other exception to policy;
 - g) Require the student to repeat an academic year;
 - h) Refer the student to the Honor Code Committee;
 - i) Recommend to the Vice Dean of Education that the student be dismissed from the College for academic reasons, including failure to comply with SPC directives.
- 5) The SPC will consider requests for non-medical leaves of absence and determine any conditions upon which students will be permitted to take or return from such leaves.
- 6) The SPC will review the status of students who are either admitted to the College as a result of transfer from another school of medicine or who are readmitted to the COM-T following withdrawal to determine the student's placement in the curriculum and timing of admission.

Section Three: Membership Guidelines of the Student Progress Committee

- 1) The membership of the SPC is specified in Article VI.K of the Bylaws of the Faculty of The University of Arizona College of Medicine – Tucson.
- 2) Typically, each faculty member is elected for a three-year term. If a faculty member is elected to fill a vacancy on the committee, that member shall complete the term of the member whose resignation left the vacancy. Student members are directly elected by their class in their first semester of medical school and serve for four years.
- 3) Attendance at meetings is critical to the function of the SPC and members are expected to give notification prior to missing a meeting. Members who miss two meetings within six consecutive months will be asked by the Chair to increase their participation, reconsider their membership, and/or resign from the Committee. The Chair of the committee reserves the right to request a replacement.
- 4) It is the responsibility of each member of the SPC to participate in carrying out the mission

of the Committee. Such participation includes regular attendance at Committee meetings, contribution to Committee proceedings and thoughtful consideration of matters before the committee.

- 5) To avoid conflicts of interest, as specified Bylaws of the Faculty (Article VI.K) the membership excludes the following from serving on the SPC: “Current Societies mentors, block directors, clerkship directors, and any faculty member whose participation on this Committee would constitute a conflict of interest, are not eligible to serve on this Committee.”
 - To further mitigate conflicts of interest, SPC members who perceive a conflict of interest or are clinical faculty and provided health care to a student under review must recuse themselves from participating in the proceedings by notifying the SPC Chair.
- 6) Members may resign from the Committee by sending notice in writing (including email) to the Committee chair. In the case of a faculty-member vacancy, the vacancy will be filled as specified in the Bylaws of the Faculty of the University of Arizona College of Medicine – Tucson. A student member placed on Academic Probation is not permitted to serve on the SPC or permitted to return to the Committee at the end of their probationary period. In the case of a student vacancy, the SPC Chair will notify the Student Government so that a replacement can be appointed promptly.

Section Four: Procedures Regarding Student Appearance at Student Progress Committee Meetings

- 1) When the SPC Chair is informed of academic, progression, professionalism or other issues regarding a student, the Chair will determine if the student is required to appear in person at the next SPC meeting. The Chair will provide written notice to the student of the time and location of the meeting no less than five business days before the meeting. The notification will describe the concern and any decision before the Committee.
- 2) If a student fails to attend a SPC meeting at which the student was directed to be present, the Committee may proceed in the student’s absence, unless the student timely provides the SPC Chair good cause for not appearing and the Chair grants an exception in advance of the meeting. The Committee may consider a student’s failure to attend a meeting for which a good cause exception was not granted when making any decision regarding the student.

A. Meeting Process

- 1) A student may be assisted at a meeting by one advisor. If a student intends to bring an

- 3) Following the meeting, the Chair of the SPC will prepare a letter to the student regarding the course of action prescribed and will notify the student in writing of its action no later than 10 business days following the meeting.
